

Zhiying Li

O'Neill School of Public and Environmental Affairs, Indiana University Bloomington
418 MSB-II, 702 N. Walnut Grove Ave, Bloomington, IN, 47405-2204

E-mail: zl68@iu.edu; **Professional website:** zhiyingli-geo.com

ACADEMIC APPOINTMENTS

Aug 2023-present	Assistant Professor O'Neill School of Public and Environmental Affairs, Indiana University, Bloomington, IN, USA
Sept 2021-Jul 2023	Postdoctoral Research Associate Department of Geography, Dartmouth College, Hanover, NH, USA

EDUCATION

2021	Ph.D. in Geography Department of Geography, The Ohio State University, Columbus, OH, USA
2017	M.S. in Physical Geography Institute of Geographic Sciences and Natural Resources Research (IGSNRR), University of Chinese Academy of Sciences (UCAS), Beijing, China
2014	Bachelor of Agriculture in Soil and Water Conservation* College of Natural Resources and Environment, Northwest A&F University, Yangling, Shaanxi, China (* Included 1.5-month visiting student research assistantship at University of Nebraska-Lincoln, Lincoln, NE, USA)

PEER-REVIEWED PUBLICATIONS

12. Justin S. Mankin*, Noel Siebert, Jason E. Smerdon, Benjamin I. Cook, Richard Seager, Park Williams, Corey Lesk, **Zhiying Li**, Harmanveer Singh, Emily Martinez. 2025. Nonlinear carbon feedbacks in CMIP6 and their impacts on future freshwater availability. *Journal of Climate*. (*accepted*)

11. **Zhiying Li***, Jason E. Smerdon, Richard Seager, Noel Siebert, Justin S. Mankin. 2024. Emergent trends complicate the interpretation of the United States Drought Monitor (USDM). *AGU Advances* 5(2), e2023AV001070. doi: 10.1029/2023AV001070

(selected as AGU Research Spotlight on EoS.org; Media coverage at LA Times, NOAA/NIDIS News, Dartmouth News)

10. Ning Zhang, **Zhiying Li* (co-first author)**, Steven M. Quiring. 2023. Developing impacts-based drought thresholds for Ohio. *Journal of Hydrometeorology* 24(7), 1225-1240. doi: 10.1175/JHM-D-22-0054.1

9. **Zhiying Li***, Steven M. Quiring. 2022. Projection of streamflow change using a time-varying Budyko framework in the contiguous United States. *Water Resources Research* 58(10), e2022WR033016. doi: 10.1029/2022WR033016

BOOK CHAPTER

Zhiying Li. Earth Observations for Soil Erosion Monitoring. In Xiao Huang (Ed.), *Data-Driven Earth Observation for Disaster Management: From Theory to Practical Applications*. Elsevier. (Expected publication date: Feb 1, 2026)

RESEARCH GRANTS (external funders are underlined)

Funded

- | | |
|------|---|
| 2025 | Investigator: IUB Faculty Assistance in Data Science Program (05/16/2025-07/15/2025, equivalent to a \$3,000 student fellowship and 6 course credits) |
| 2025 | Investigator: <u>United States Geological Survey (USGS) National Competitive Grants</u> , Impacts of hydrologic intensification on the long-term mean water budget in the continental United States (01/01/2025-12/31/2027, \$208,047 with 1:1 cost share from IU) |
| 2024 | Investigator: <u>United States Geological Survey (USGS) Annual 104B Base Grant</u> , Impacts of Drought-Flood Abrupt Alternation on Water Quality in Indiana (09/01/2024-08/31/2025, \$30,000 with 1:1 cost share from IU) |

- 2024 **Investigator:** IUB Faculty Assistance in Data Science Program (05/07/2024-07/26/2024, equivalent to a \$3,000 student fellowship and 6 course credits)
- 2024 **Investigator:** IUB Institute for Advanced Study Collaborative Research Award (05/2024-05/2026, \$10,000)
- 2023 **Co-Investigator:** Center for Global Health Studies (CGHS) within the U.S. National Institutes of Health (NIH), Quantifying the Impact of Flood Adaptation on Dengue Fever with Geospatial Analysis; with Meifang Li (PI) at Dartmouth College (01/2024-01/2025, \$15,000)
- 2023 **Investigator:** IUB Faculty Research Support Program – Seed Funding, Characteristics, Mechanisms, and Impacts of Hourly Extreme Precipitation in the Contiguous United States (05/07/2024-05/06/2025, \$49,705)
- 2020 **Co-Investigator:** National Science Foundation Doctoral Dissertation Research Improvement, Relative Importance of Drivers of River Discharge and Prediction of Flow Regimes across the United States (06/15/2020-11/30/2021, \$17,023); with Steven Quiring (PI); Li is Co-PI due to NSF-DDRI application regulations.

Submitted (Program Terminated)

- 2024 **Co-Investigator:** NASA SERVIR, Enhancing Food Security in Central America: Integrating Satellite and Citizen Data for Near Real-time Drought and Crop Monitoring and Forecasting, with Yaqian He (PI) at University of Arkansas (Step-1 Proposal Submitted)

Unfunded

- 2024 **Investigator:** NASA Modeling, Analysis, and Prediction (MAP) Program (01/01/2025-12/31/2027, \$699,825)
- 2024 **Investigator:** IUB Sustainability Course Development Fellowship (\$5,000)
- 2024 **Investigator:** Sustainability Amazon Research Award in Climate Risk Assessment (07/2024-06/2025, \$105,833)
- 2023 **Investigator:** IUB Enhanced Mentoring Program with Opportunities for Ways to Excel in Research (EMPOWER; \$10,000)

TEACHING EXPERIENCE

Instructor

- | | |
|--------------------------|---|
| Fall 2024, Fall 2025 | Environmental Sustainability Science (E555); IUB <ul style="list-style-type: none"> • New core course for Master's in Env. Sus. • 9 students enrolled |
| Spring 2024, Spring 2025 | Introduction to Environmental Science (E272); IUB <ul style="list-style-type: none"> • Introductory course for undergraduates; GE course • 42, 60 students enrolled |

Lab Instructor

- | | |
|------------------------|--|
| Spring 2020, Fall 2019 | Extreme Weather and Climate (G1900); 4 sessions; OSU <ul style="list-style-type: none"> • Introductory course for undergraduates; GE course • 32 students enrolled |
|------------------------|--|

Graduate Teaching Assistant

- | | |
|-------------|--|
| Spring 2019 | Climatology (G5900), The Ohio State University |
|-------------|--|

- Advanced course for undergraduates
 - 36 students enrolled
- Fall 2018 Global Climate Change (G3900), OSU
- Intermediate course for undergraduates
 - 69 students enrolled
- Guest Lecturer**
- Feb 2020 Boundary Layer Climate (G5921), OSU
- Advanced course for undergraduates
 - ~40 students enrolled

ADVISEES

Graduate Students

AU24-present	Tian Yang, Ph.D. student in Environmental Science, chair
AU24-present	Augusto Torezan Silingardi Del Claro, Ph.D. student in Environmental Science, committee member
SU24-present	Kesondra Key, Ph.D. candidate in Environmental Science, committee member
SP-SU24	Qing Chang, Ph.D. in Environmental Science, committee member

Undergraduate (U) & Graduate (G) Research Assistants

SU25	Aaryan Patil (G), M.S. in Data Science, IUB (<i>upcoming</i>)
SU25	Kishore Kumar Ramkumar (G), M.S. in Data Science, IUB (<i>upcoming</i>)
SU25	Nisha Sarwar (G), M.S. in Data Science, IUB (<i>upcoming</i>)
AU24-SP25	Guoqing Gong (G), Ph.D. student in Environmental Science, IUB
SP-AU24	Ayesha Mulla (G), M.S. in Data Science, IUB
SU-AU24	Sandeep Batta (G), M.S. in Data Science, IUB
SU24	Sai Ruthvik Reddy Mitta (G), M.S. in Data Science, IUB
SU24	Ashtavinayak Pande (G), M.S. in Data Science, IUB
Oct23-Mar24	Romany Tafid (G), M.S. in Environmental Science, IUB
AU20-SP21	Ruixuan Ding (U), B.S. in Geography, OSU

High School Students

SP25	TBD, Fellow of the Jim Holland Summer Science Research (SSRP) Program
------	---

AWARDS AND HONORS

2025	AAG Climate Specialty Group Paper of the Year Award (\$250)
2023	Selected Climate Change & Society Cohort for the “Elevate the Discipline” Program by the American Association of Geographers (AAG), Washington, D.C.
2022	Excellent Oral Presentation at the “Young Scientist Forum” Session at the 2022 International Forum on Big Data for Sustainable Development Goals
2022	Travel Grant for the Community Earth System Model (CESM) tutorial, Center Green, University Corporation for Atmospheric Research (UCAR), Boulder, CO

- (~\$1,000)
- 2021 The Story Exchange “Our Women in Science Incentive Prize” (\$5,000)
- 2021 Chinese Government Award for Outstanding Self-financed Students Abroad (\$6,000)
- 2021 The E. Willard & Ruby S. Miller Fellowship, Department of Geography at The Ohio State University (\$4,000)
- 2021 The 1st place poster presentation award in Mathematical and Physical Sciences at the Edward F. Hayes Graduate Research Forum (\$200)
- 2020 The 2nd place student poster presentation award at the 2020 Annual Water Management Association of Ohio Conference (\$100)
- 2020 The 1st place PhD student paper presentation award at the 2020 East Lakes Division of the American Association of Geographers (\$125)
- 2020 American Association of Geographers (AAG) Annual Meeting Student Grant
- 2020 Best Oral Presentation at the 4th annual Midwest Student Conference on Atmospheric Research
- 2019 Graduate School Presidential Fellowship, The Ohio State University (\$32,100)
- 2019 American Meteorological Society (AMS) Annual Meeting Matthew J. Parker Travel Grant (~\$1,400)
- 2019 Rick Toracinta Graduate Scholarship, The Ohio State University (\$2,000)
- 2017 Graduate School University Fellowship, The Ohio State University (\$26,316)
- 2017 Taaffe Research Award, The Ohio State University (\$2,000)
- 2017 Outstanding Graduate, IGSNRR, UCAS (Top 1%)
- 2017 “Institute Director” Scholarship, IGSNRR, UCAS (Top 3%)
- 2016 1st Class (Top) Academic Scholarship, IGSNRR, UCAS
- 2014 Outstanding Graduate, Northwest A&F University (Top 1%)

AWARDS TO MY ADVISEES

- 2025 Tian Yang (Ph.D. student): Awarded the first-place winner of the Climate Specialty Group's Student Paper Competition for the 2025 AAG Annual Meeting (\$250)
- 2024 Sandeep Batta (summer intern): Awarded the Advanced Cyberinfrastructure (ACI) Student Fellowship (\$1,000), Indiana University.

OTHER PROFESSIONAL EXPERIENCE

- Feb-Aug, 2021 **Graduate Research Assistant**, Department of Geography, OSU
Project: “Climate Resilience Project” funded by the American Honda Company
- Jun-Aug, 2019 **Graduate Research Assistant**, Department of Geography, OSU
Project: “Deployment of Storm Impact Prediction Model” funded by the Southern Company
- 2015-2017 **Graduate Research Assistant**, IGSNRR, UCAS
Project: “Impacts of climate change and land use on water erosion” - National Natural Science Foundation of China (Grant No. 41571271)

Jul-Aug, 2013 **Undergraduate Researcher**, Department of Agronomy and Horticulture, UNL
 Project: “Impacts of cover crop on soil properties” - Undergraduate Student Research Program funded by Northwest A&F University and UNL

INVITED TALKS

Apr. 14, 2025 Department of Earth and Atmospheric Sciences, Indiana University
 Bloomington, Bloomington, IN

Sept. 23, 2024 Department of Earth and Environmental Sciences, Indiana University
 Indianapolis, Indianapolis, IN

Aug. 20, 2024 Midwest Drought Early Warning System (DEWS) Partners Meeting,
 Indianapolis, IN

Jan. 26, 2024 School of Environment, Geography, and Sustainability, Western Michigan
 University, Kalamazoo, MI

Jul. 5, 2023 National Integrated Drought Information System (NIDIS) Webinar

Feb. 7, 2023 O’Neill School of Public and Environmental Affairs, Indiana University
 Bloomington, Bloomington, IN

CONFERENCE PRESENTATIONS (1st author only)

2025 Lightning talk on “Streamflow changes in a changing climate” in the Working Group
 Meeting on Rethinking Hydropower to Satisfy Energy, Climate, and Biodiversity
 Goals, Bloomington, IN, USA, March 19-21

2024 Oral Presentation on “Implications of Baseline Methodologies on Drought
 Monitoring and Management in a Changing Climate” in the American Geophysical
 Union (AGU) 2024 Annual Meeting, Washington D.C., USA, December 9-13

Poster Presentation on “Emergent trends complicate the interpretation of the United
 States Drought Monitor” in the Extreme Heat Workshop Hosted by the Columbia
 Climate School, New York, NY, USA, July 10-12

Lightning talk in the Environmental Resilience Institute Research Symposium,
 Bloomington, IN, USA, April 30

Virtual Oral Presentation on “Drought Classifications Shift due to Nonstationary
 Climate” in the American Association of Geographers (AAG) 2024 Annual Meeting,
 April 16-20

2023 Poster Presentation on “Climate Trends Force Step Changes in U.S. Drought
 Classifications” in the American Geophysical Union (AGU) 2023 Annual Meeting,
 San Francisco, CA, USA, December 11-15

Virtual Oral Presentation on “Static Drought Assessment in a Nonstationary Climate”
 in the AAG 2023 Annual Meeting, March 23-27

2022 Oral Presentation on “Static Drought Assessment in a Nonstationary Climate” in the
 AGU 2022 Annual Meeting, Chicago, IL, USA, December 12-16

Virtual Oral Presentation on “Predicting streamflow change under climate and land

use changes in the contiguous U.S. using a time-varying Budyko framework and machine learning algorithms” in the 2022 International Forum on Big Data for Sustainable Development Goals, September 6-8

Virtual Oral Presentation on “Accounting for the climatology of drought characteristics in the contiguous United States” in the AAG 2022 Annual Meeting, February 25-March 1

- 2021 Virtual Poster Presentation on “Uncertainty in the Gridded Daily Temperature Datasets for Estimation of Potential Evapotranspiration Values and Trends in the Continental United States” in the Edward Hayes Graduate Research Forum, April 9

Virtual Oral Presentation on “Uncertainty in the Gridded Daily Temperature Datasets for Estimation of Potential Evapotranspiration Values and Trends in the Continental United States” in the AAG 2021 Annual Meeting, April 7-11

Virtual Poster Presentation on “Climatic, physiographic, and anthropogenic factors controlling spatial and temporal variability of water balance within the Budyko framework” in the American Meteorological Society (AMS) 2021 Annual Meeting, Jan 10-15

- 2020 Virtual Poster Presentation on “Climatic, physiographic, and anthropogenic factors controlling spatial and temporal variability of water balance within the Budyko framework” in the AGU 2020 Fall Meeting, December 1-17

Virtual Poster Presentation on “Identifying the Dominant Drivers of Hydrological Change in the Contiguous United States” in the 2020 Annual Water Resources Conference, November 9-12

Virtual Poster Presentation on “Identifying the Dominant Drivers of Hydrological Change in the Contiguous United States” in the 49th Annual Water Management Association of Ohio Conference, November 2-5

Virtual Oral Presentation on “Climatic, physiographic, and anthropogenic factors controlling spatial and temporal variability of water balance within the Budyko framework” in the 14th Graduate Climate Conferences, October 30-November 1

Virtual Oral Presentation on “Developing Impacts-Based Drought Thresholds in Ohio” in the 2020 East Lakes Division of the AAG, October 29-30

Virtual Poster Presentation on “Developing Impacts-Based Drought Thresholds in Ohio” in the 2020 Byrd Center Symposium on Climate Change, October 9

Virtual Oral Presentation on “Developing Impacts-Based Drought Thresholds in Ohio” in the 4th annual Midwest Student Conference on Atmospheric Research, September 26-27

Virtual Poster Presentation on “Developing Impacts-Based Drought Thresholds in Ohio” in the 2020 National Soil Moisture Workshop, August 12-13

- 2019 Poster Presentation on “Comparison of three short-term load forecast models in Southern California” in the 2019 Translational Data Analytic Institute Fall Forum, Columbus, OH, USA, November 7

Poster Presentation on “Spatio-temporal hydroclimatic variability in Ohio, USA” in the inaugural Byrd Center Symposium on Climate Change, Columbus, OH, USA, March 22

- 2018 Poster Presentation on “Spatio-temporal hydroclimatic variability in Ohio, USA” in the AGU 2018 Fall Meeting, Washington D.C., USA, December 10-14

Poster Presentation on “Comparison of three short-term load forecast models in Southern California” in the Graduate Research Forum, Departmental GeoWeek, Department of Geography, OSU, Columbus, OH, USA, November 4

- 2016 Oral Presentation on “Modeling impacts of climate change on watershed runoff and sediment yield, northeastern China” in the inaugural University of Chinese Academy of Sciences “Geographic Research and Lake Science” Graduate Academic Conference, Nanjing, Jiangsu, China, October 25-27

Oral Presentation on “TETIS model-based runoff and sediment simulation of Wuyuer River Basin, black soil region of Northeast China” in the 33rd International Geographical Congress, Beijing, China, August 21-25

CONTRIBUTING PRESENTATIONS

- 2025 Tian Yang, **Zhiying Li**. Characteristics and Drivers of Abrupt Transition between Dry and Wet Extremes in the Contiguous United States. The AAG 2025 Annual Meeting, Mar 24-28 (virtual oral)

- 2024 Tian Yang, **Zhiying Li**. Climatology and Trends of Drought-Flood Abrupt Alternation Events in the Contiguous United States: A Focus on Indiana. The 43rd Annual Indiana Water Resources Association Symposium, Indianapolis, IN, USA, Nov 7 (poster)

Sandeep Batta, Ashtavinayak Pande, **Zhiying Li**. Spatial and temporal data analysis of extreme climate events in the Contiguous U.S. Faculty Assistance in Data Science Program Research Showcase, Aug 5 (virtual poster)

- 2023 Jacklynn Beck, Zack Leasor, **Zhiying Li**, Steven Quiring. Impacts of Ecological Drought on Terrestrial, Aquatic, and Avian Species in Ohio. The 103rd American Meteorological Society (AMS) Annual Meeting, Denver, CO, USA, Jan 8 (poster)

PROPOSAL REVIEWER

104B Annual Grant at Indiana Water Resources Research Center	1 review
--	----------

EDITORSHIP

2024-present	Review Editor, Frontiers in Remote Sensing Terrestrial Water Cycle
2022-present	Assistant Editor, Anthropocene Science

PROFESSIONAL SERVICE

Jul 2025-	Honors Director, American Association of Geographers (AAG) Climate
Jun 2027	Specialty Group
2025	IU Representative for Consortium of Universities for the Advancement of Hydrologic Science (CUAHSI)
2022-2025	Judge, Climate Specialty Group Student Paper Competition, AAG Meeting
Dec 2024	Reviewer, Outstanding Student Presentation Awards (OSPA), AGU Meeting
Sep 2024	Invited Speaker, Postdoc Appreciation Week Professional Development Lunch, IUB
Aug 2024	Invited Speaker, GISalon Roundtable Sharing on Academic Job Search (virtual)
Jul 2023	Mentor, Climatematch Academy
Apr 2023	Session Chair, "Hazards, Risks, and Disasters: Resilience and Adaption to a Changing Climate" session, AAG Annual Meeting

DEPARTMENTAL SERVICE

Apr 2025	Faculty Representative, MSES, MES, MPA-MSES Experience Day Faculty Round Table, O'Neill School, IU
2024-2025	Committee member, MSES/MES Admissions Committee, O'Neill School, IU
2024	Committee member, Non-Tenure-Track Clinical Professor in Lake

	Management Search Committee, O'Neill School, IU
2023-2024	Committee member, Master of Environmental Sustainability Curriculum Committee, O'Neill School, IU
2020-2021	Treasurer, Geography Graduate Organization, The Ohio State University
2019	Judge, undergraduate art pieces for G1900, Department of Geography, OSU

EXTRA TRAINING

Jan – Apr, 2025	National Center for Faculty Development and Diversity (NCFDD) Faculty Success Program (virtual)
Dec, 2024	AGU NASA Proposal Writing Workshop, Washington D.C., USA
Jun, 2024	AAG Geography Faculty Development Alliance Workshop (virtual)
Jun, 2024	National Science Foundation Grants Conference, Philadelphia, PA
May, 2024	Center for Innovative Teaching and Learning (CITL) Foundational Course Development Institute (CDI), Bloomington, IN
Aug, 2023	ForceSMIP Hackathon by ETH Zurich and National Center for Atmospheric Research (NCAR), Boulder, CO
Apr, 2023	Diverse Mentoring Skill Building Workshop, SACNAS at Dartmouth, Hanover, NH
Feb, 2023	NOAA Drought Assessment in a Changing Climate Technical Workshop, Boulder, CO
Sep, 2022	Workshops in Academic Job Search Series, Dartmouth College, Hanover, NH
Aug, 2022	Community Earth System Model (CESM) Workshop, Center Green, University Corporation for Atmospheric Research (UCAR), Boulder, CO
May, 2020	Workshops in Academic Job Search Series, The Ohio State, Columbus, OH
Jan, 2020	American Meteorological Society short course “ <i>Introduction to Machine Learning in Python for Environmental Science Problems</i> ”, Boston, MA

MEMBERSHIP IN PROFESSIONAL ORGANIZATIONS

2018-present	American Geophysical Union (AGU)
2024	Indiana Water Resources Association (IWRA)
2021-present	American Association of Geographers (AAG)
2021-present	AAG Climate Specialty Group
2021	AAG Graduate Student Affinity Group
2021	American Meteorological Society (AMS)
2020	Water Management Association of Ohio (WMAO)

SCIENTIFIC COMMUNICATION & OUTREACH

Media interviews and coverage of research: EoS.org, Los Angeles, NOAA/NIDIS News, PreventionWeb by UN Office for Disaster Risk Reduction (UNDRR), Phys.org, Association of Science and Engineering Technology Professionals of Alberta (ASET), Story Exchange, Dartmouth News, OSU News.

TECHNICAL SKILLS

Programming: Python/Jupyter, Unix/Linux shell, R, MATLAB, JavaScript

GIS & Geospatial software: ArcGIS Pro, Google Earth Engine, GeoDa, ENVI, IDRISI

Hydrological Model: HEC-HMS, SWAT, TETIS

Hydraulic Model: HEC-RAS

Statistical software: JMP, SPSS

Languages: Full Professional English, Native Mandarin, Limited Working Cantonese

Others: Origin, Auto CAD, MS Office Suite
